Dear Sir:

A Supplemental Notice of Allowability was mailed to Applicant on September 20, 2005. Applicant previously requested a Supplemental Notice of Allowability on November 18, 2004. In particular, an Information Disclosure Statement was attached to the Notice of Allowance dated August 27, 2004. The statement pertains to a different U.S. patent application and should not be part of the above-referenced application. The statement belongs to U.S. Patent Application No. 09/955,181 and not the above-referenced application 09/995,181.

In the Supplemental Notice of Allowability dated September 20, 2005, the Examiner states that "the IDS filed for application 09/995,181 has been removed from all records pertaining to Applicant's application 09/995,181." (p. 2). Applicant respectfully submits that the statement should read, 'the IDS filed for application 09/955,181 has been removed from all records pertaining to Applicant's application 09/995,181.' The IDS for U.S. patent application no. 09/955,181 was incorrectly cited to the above-referenced application.

Accordingly, Applicant respectfully requests that the statement, from the September 20, 2005 Supplemental Notice of Allowability be corrected for all records pertaining to the above-referenced application. Applicant further requests that a Second Supplemental Notice of Allowance be issued acknowledging the correction of the statement.

Dated: October 25, 2005

Respectfully submitted,  
By
